

CLAY FIRE

18355 Auten Road • South Bend, IN 46637 Telephone: (574) 272-2144
Fax: (574) 272-4043
Internet: www.clayfd.com

Adopt-A-Hydrant Program

1. Maintain a (3') three-foot radius around the hydrant free of clear of snow and shrubbery
2. Keep an eye out for signs of vandalism or removal of caps.
3. The hydrant is painted in the following way
 - a. Body painted red
 - b. Top painted blue
 - c. Caps painted white

Paint will be provided by South Bend Water Works. Call 235-9464

4. Winter flags are put in place by the South Bend Water Works. Let the Water Works know prior to November if you would like a flag. There is a limited number and they are placed on hydrants that tend to get buried in the snow.
5. Call Clay Fire Territory if you notice the hydrant is leaking or has been damaged.
6. Individuals and/or groups are encouraged to participate.
7. A certificate will be issued to you and/or your group upon adopting a hydrant.

For more information, contact the Clay Fire Territory or complete and mail the Adopt-A Hydrant form at the bottom of this page.

(Please cut and mail this form back to the address below.)

I/we would like to adopt the fire hydrant located at:

_____ (Nearest street address)
